Saving time and money is more important to medical providers than ever before. That's why Jan Dils, Attorneys at Law, is offering a new, **EASIER** way for your office to deliver the medical records we request—at **NO COST** to your business. We have partnered with ShareFile by Citrix to enable you to send records electronically and securely.

BENEFITS TO YOU INCLUDE:

- No more printing or mailing costs.
- No more fax busy signals.
- No more resending information.
- HIPAA-Certified Security.
- Easy to use.
- Just log in to your own secure folder to drop in the records we have requested.

For more information on this innovative, no-cost way to deliver your medical records, call Beverly at 304-428-8900. **Ready to get started?** Have your personal folder created by emailing us at records@jandils.com.
